## Description :

Prsentation de l'diteurSTEPHEN KING ON CHRISTOPHER SMITH: "Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural genius." From in the #1 International Best-selling author of "Fifth Avenue," "Running of the Bulls," "The Bullied Series," "From Manhattan with Love" and "From Manhattan with Revenge," comes Smith's best thriller yet! 91,000 words or about printed 300 pages!Description: Sixteen years ago, Camille Miller left behind her life as an assassin in order to raise her daughter, Emma. But now, when her billionaire father is found brutally murdered, she must tap into old instincts to learn who killed her father and why. The suspects? Her six siblings, each so desperate for their father's money that

they'd kill for it. What Camille doesn't see coming is Emma's plan to solve the mystery first. Or P.I. Marty Spellman's assignment, which is to find Camille or risk the deaths of those dearest to him. Over the course of one day, all three players, plus Spellman's teenaged daughter Beth, find themselves in a race to the finish.

Nobody's goals are what they appear to be. Twists abound. And not one single person, for one single moment, is safe. PRAISE FOR CHRISTOPHER SMITH:\*\*\*JIM ASHLEY ON FIFTH AVENUE AND RUNNING OF THE BULLS\*\*\*Smith is this generation's Master storyteller. If you're a fan of suspense thrillers and unbelievable twists and turns, you will quickly become a fan of Christopher Smith! He entices you to fall in love with his characters only to be caught totally off guard when their fate goes in a direction you never saw coming. He takes the styles of James Patterson and Steven King to a totally kicking level. I can honestly say that I spent way too many late night hours reading chapters because I could not put it down and couldn't wait to see what he would do next. Starting with Fifth Avenue, he builds such entertaining and deep characters that you know this cannot be the end but just the start to future stories interweaving these strong individuals. With Running of the Bulls, you're so caught in the action - that you're honestly rooting for the characters that would historically be the bad guys in other tales. Christopher seems to set the bar higher and higher for himself, and I can't wait for his upcoming releases in 2012. A definite must read for mystery, suspense, and thriller lovers!\*\*\*PLANET KINDLE ON CHRISTOPHER SMITH\*\*\*"Fifth Avenue, the first novel by penned Christopher Smith, is a fantastic first effort and was the reason I was simply unable to put my Kindle down over this Christmas period. And I would go as far to say that it ranks as one of the best first novels Ive ever read."--PLANET KINDLE\*\*\*P.M. RICHTER ON CHRISTOPHER SMITH\*\*\*"Fifth Avenue. A big, big novel. A blockbuster? Yes. A bestseller. It should be. The author, at the beginning of the novel, thanks the people who introduced him to the 'real' Fifth Avenue. I suspect the real one could not be as interesting or engrossing as this novel. ...This is a highly recommended novel. It deserves the five stars." -- P.M. RICHTER\*\*\*JENNIFER LONG ON RUNNING OF THE BULLS\*\*\*"Christopher Smith did it again. This book is packed with suspense, and delivers both characters that you will love and loathe. A time or two near the end, I found myself actually on the side of the villains and I really hope those two show up in Park Avenue. The story moves quickly...as most of the action all happens in one day. Makes it terribly difficult to put down. Smith paints a great picture of every character- I found myself chuckling aloud a time or two. Well written, well planned- I am definitely going to be reading more from this author. Can't wait for Park Avenue!" --JENNIFER LONGJOIN CHRISTOPHER ON FACEBOOK AND INTERACT WITH HIM: <http://on.fb.me/FQ2MuTPresentation de l'diteurSTEPHEN KING ON CHRISTOPHER SMITH>: "Put me down as an enthusiastic Christopher Smith fan.
