Description :

Prsentation de l'diteurRichard and Frances Myles are preparing for their annual European summer vacation in 1939 when they are visited at their Oxford college by old friend Peter Galt, who has a seemingly simple job for them. Galt asks if they would start their holiday in Paris, meet a man there, and then continue their journey as he directs. But in the heightened atmosphere of pre-war Europe, nobody is above suspicion, in fact the husband and wife are being carefully monitored by shadowy figures. Soon the couple are racing across Europe and must use all their ingenuity to stay one step ahead of the enemy.Revue de presseCharacters are easy to love. The Celebrity Caf Helen MacInnes has been called the Queen of Spy Writers, and after reading Titan Press re-release of Above Suspicion and Pray For a Brave Heart, I can see

why. Nerd in Babeland I found myself gripped by *Above Suspicion* and the depth of MacInness's story, charmed by her natural ability to ease through genres; scenes were at times humorous, frustrating, exciting, and romantic as the adventure progressed. Her confidence as a writer and her bold determination bring a certain invigoration to the novel, making it a well-rounded spy story steeped in the detailed history of pre-war Europe. *Literary Inkling* It's a story that dives in within 10 pages, and generally doesn't stop until the very end. It's truly like a great Bond movie. *Fruitless Pursuits* Presentation de l'diteur Richard and Frances Myles are preparing for their annual European summer vacation in 1939 when they are visited at their Oxford college by old friend Peter Galt, who has a seemingly simple job for them.
