Description :

Prsentation de l'diteurWhen a Rankan messenger is killed in Tyse, Randal, the Stepsons pet wizard, must read the dead mans mind. What Randal learns brings Niko back from the Misty Isles of Bandara and forces Tempus and his Stepsons into an alliance unholy even by Tysian standards with Cime the mage killer; Akelon, lord of dreams; and the Rankan Third Commando, a fighting unit so cruel it gives even the Stepsons

pause. Together with Tempus long-lost daughter, and his elemental lover, Jihan, they must venture beyond accursed Wizardwall itself to battle the Mygdonian Alliance and Roxanes Nisibisi witchcraft. The intrepid Band (whose central core is Tempus beloved Stepsons) must figure out who among the Tysian locals, Rankan soldiers, and Mygdonian defectors they can trust before its too late. But in a world where a witch can turn a warrior into a flea, where gemstone frogs can rain from the sky, where no one is ever what he seems, where loyalties are ensured by curses, wizardry, and the favor of warring gods only the immortal Tempus can guarantee an army's success. And not even Tempus can tell the good guys from the bad in Tyse, where everyone plays both ends against the middle or if the price of victory against Mygdonia will be his Stepsons' souls in their battle **BEYOND THE VEIL**, sequel to **BEYOND SANCTUARY**. Here is the new Authors Cut edition, revised and expanded, of the second independent full-length novel in Janet Morris **BEYOND** series, far from notorious Thieves World. Set in Tyse, a town so mean and magic-ridden as to make Sanctuary seem like a singles bar, **BEYOND THE VEIL** features Tempus Thieves World most popular and misunderstood character and introduces Kama, his warrior daughter, as well as Rankes deservedly infamous shock troops, the Third Commando. About the Author: Janet Morris is a bestselling novelist who is also well-known as the creator of the Sacred Band of Stepsons series and member of the **THIEVES WORLD** writing team. Her Sacred Band of Stepsons books include her **BEYOND TRILOGY** (**BEYOND SANCTUARY**, **BEYOND THE VEIL**, **BEYOND WIZARDWALL**), **TEMPUS**, and, with Chris Morris, **THE SACRED BAND**, **THE FISH THE FIGHTERS AND THE SONG-GIRL**, **CITY AT THE EDGE OF TIME**, **TEMPUS UNBOUND**, and **STORM SEED**. *Présentation de l'auteur* When a Rankan messenger is killed in Tyse, Randal, the Stepsons' pet wizard, must read the dead man's mind.
