Description :

Prsentation de l'diteurBakers, for years, have used stale or overly dried cake mixed with frosting and covered with a chocolate coating. Cake balls, were given their own specialty niche outside the baking world when it was recognized as something people could make easily at home. We just needed to know how to make cakeballs and cakeball decoration ideas which I will be covering in this book.Prsentation de l'diteurBakers, for years, have used stale or overly dried cake mixed with frosting and covered with a chocolate coating. Cake balls, were given their own specialty niche outside the baking world when it was recognized as something people could make easily at home. We just needed to know how to make cakeballs and cakeball

decoration ideas which I will be covering in this book.
