She spent three years living and working in Japan, and travelling around Asia before returning to New Zealand now - although she's always plotting new trips. She has worked as a lawyer, a librarian, a candy factory general hand, a bank temp and an English teacher, not necessarily in that order. Some people might call that inconsistency, but she calls it grist for the writer's mill. You can learn more by visiting www.nalinisingh.com or by following @NaliniSingh on twitter.
