Description :

Prsentation de l'diteurThey are the Nightwalkers, mysterious beings who dwell in the shadows of our world, and Damien, the Vampire Prince, is among the most powerful of them all. But one woman will tempt him with a desire unlike anything he has known, and together they will face a terrifying relentless foe . . .As reigning Vampire Prince, Damien has tasted every pleasure the world has to offer - consorting with kings and queens and delighting in sensual adventure. Now, tired of such pursuits, he devotes his energies to protecting his people. The war between human necromancers and Nightwalkers has escalated, and when the enemy makes a daring move, kidnapping Syreena, a Lycanthrope Princess, Damien boldly follows. He succeeds in rescuing her, but is unprepared for the erotic longing her lush sensuality awakens in him.From

Publishers Weekly Damien is a prince of the Vampires; Syreena is a princess and should anything happen to her sister, Siena heir of the Lycanthropes, a strange mutation capable of transforming into dolphins or falcons with ease. When the two meet at the discovery of a Nightwalker library, they feel an instant attraction. But it isn't until Syreena is kidnapped by a crazed demon bent on vengeance and Damien comes to her rescue that they shatter Nightwalker taboos. As they fight both Ruth, the demon, and a love affair that is forbidden and politically explosive, they are forced to question what their priorities are: their people or their love for each other. Frank's latest Nightwalker entry is fast-paced and steamy, nicely developing the world of her generally upstanding, gorgeous and charismatic supernatural creatures.
