**Description :** Description du produitThe stranger silently summoned her from across the continents, across the seas. He whispered of eternal torment, of endless hunger, of dark, dangerous desires. Somehow, American surgeon, Shea O'Halloran could feel his anguish, sense his haunting aloneness, and she ached to heal him, to heal herself. Drawn to the Carpathian mountains, Shea found a ravaged, raging man, a being like no other, and she trembled. In his burning eyes, his icy heart, she recognized the beloved stranger who'd already become a part of her. This Carpathian made had compelled Shea to his side. But was she to be his healer...or his prey? His victim...or his mate? Was he luring her into madness...or would his dark desire make her whole? Read by Juanita Parker. 12 CD's 12.5 Hrs.

Prsentation de l'diteurSeven years ago, Dr Shea O'Halloran experienced an unexpected and horrendous pain unlike anything she had ever known. It felt as if she were being tortured. Eventually the pain disappeared, but Shea never forgot. She has since devoted her life to trying to understand the cause of the rare genetic blood disorder that is slowly killing her. The answers to some of Shea's questions start to reveal themselves when she is approached by two men, who accuse her of being a vampire. Shea runs for her life and - following a feeling she can't explain - her desperate wanderings lead her to Romania. The ancient one known as Jacques Dubrinsky can explain. Seven years ago, Jacques was captured, tortured and buried alive by several humans and a Carpathian betrayer. The years of extreme pain and lack of sustenance that followed have nearly driven Jacques insane. He has been using what is left of his powers to psychically draw Shea to the region. But is Shea to be his healer or his prey?
