Description :

Prsentation de l'diteurImagine you are a club player who has been given the opportunity to talk at length with a famous grandmaster. How would you make the most of this opportunity?Club players are unaware of the subtleties in Grandmaster chess. Great players can analyze chess at a depth that is unfathomable to amateurs. However, having reached such a high level can make it difficult to understand what is lacking in the mind of the amateur.Lessons with a Grandmaster bridges this gap between grandmaster and amateur

through a series of conversations between teacher, the renowned Grandmaster Boris Gulko, and student Dr. Joel R. Sneed, a professor of psychology and amateur chess player. The lessons are based on Gulko's own battles against fellow grandmasters, and there is particular focus on strategy, tactics and the role of psychology in chess competition. * Learn from the chess games of Boris Gulko * Typical questions you would ask a Grandmaster - answered! * Improve your understanding of chess strategy and psychology.

UPDATE: Since working on this book Joel Sneed has gained almost 200 rating points. He has just tied for 1st place in the Marshall Chess club Under 2000 tournament with 4 out of 5. Before the book he was ranked at 1613 and now is in the high 1700s.

Revue de presse This book is an outstanding contribution to instructional chess... This title is destined to be a classic... Lessons with a Grandmaster might just be the finest treatise ever written on the nuances and dynamics of positional play. This is learning at its best. --John D. Worth, ChessCafe.com

This collaboration has produced a book which is very readable, with instructional value for players of many levels (my own included). --Luke McShane, New in Chess

It is impossible to recommend this book highly enough. Ten out of ten. --Paul Kane, Manchester Chess Federation
