Description :

Prsentation de l'diteurA stirring instalment of the urban fantasy-thriller series starring Rachel Morgan. A pacey and addictive novel of sexy bounty-hunting witches, cunning demons and vicious vampires. Condemned and shunned for black magic, Rachel Morgan has three days to get to the annual witches conference and clear her name, or be trapped in the demonic ever-after . . . forever after. But a witch, an elf, a living vampire, and a pixy in one car going across the country? Talk about a recipe for certain disaster, even without being the targets for assassination. For after centuries of torment, a fearsome demon walks in the sunlight freed at last to slay the innocent and devour their souls. But his ultimate goal is Rachel Morgan, and in the fight for survival that follows, even embracing her own demonic nature may not be

enough to save her. Revue de presse Elegant and taut as a gymnast's cartwheel, Harrison's polished prose drives a story that will have readers swerving in their seats every time Rachel turns the wheel. (Publishers Weekly (starred review)) With more than 2.5 million Hollows books in print, Harrison has definitely tapped a nerve or a magical ley line. (San Antonio Express-News on Pale Demon) An excellent entry that is guaranteed. The Rachel Morgan series is fast becoming one of the hottest tickets in the urban-fantasy subgenre. (Booklist (starred review)) You'll love this bounty-hunter team. . . . A fun-fair ride through a fascinating version of our world. (Charlaine Harris on Dead Witch Walking) Blends the best qualities of Anita Blake and Stephanie Plum. . . . Kim Harrison carries it off with style. (Jim Butcher on Dead Witch Walking) Dead Witch Walking is a wonderfully fun romp through the supernatural world, a spellbinding blend of sharp wit and vivid imagination that left me eagerly awaiting the sequel.
