Description :

Prsentation de l'diteurDavy has always been alone. He believes that he's the only person in the world who can teleport. But what if he isn't?A mysterious group of people has taken Davy captive. They don't want to hire him, and they don't have any hope of appealing to him to help them. What they want is to own him. They want to use his abilities for their own purposes, whether Davy agrees to it or not. And so they set about brainwashing him and conditioning him. They have even found a way to keep a teleport captive.But there's one thing that they don't know. No one knows it, not even Davy. And it might save his life...."This is a fun, fast-paced novel that - like Gould's other books - also has a social conscience that gives it more depth than such a story might have in lesser hands. You don't need to have read Jumper to enjoy the new novel, but [it's] highly recommended." - Charles de Lint, The Magazine of Fantasy and Science Fiction on

Reflex"Though Gould continues to exuberantly press the boundaries of scientific credibility, his gift for placing ordinary people in extraordinary situations against a backdrop of international concerns makes this fast-paced adventure sizzle." - Publishers Weekly, starred review on Reflex
