Revue de presse Kaplan has written one of the smartest, swiftest and most compelling spy novels I've read in years. (Harlan Coben, New York Times bestselling author of Stay Close) Excellent . . . [Kaplan's] style matches the best of Ludlum, and then surpasses it. (Suspense Magazine) Delivers more heart-thumping twists and turns, beliefs and betrayals, than The Day of the Jackal and The Spy Who Came in from the Cold rolled into one. (Katherine Neville, author of The Eight and The Fire Katherine Neville, author of The Eight and The Fire) In a word, terrific. The pace is blistering, the atmosphere menacing and decadent, and author Andrew Kaplan is in marvelously smashing form. (New York Daily News) Kept me up well into the late show hours [paced] like a ride on the Magic Mountain roller coaster . . . Hollywood please copy. (Los Angeles Times) Brimming with action. (Washington Post) If you are looking for a no-holds-barred, spy romp that is fast-paced and chocked full of intelligence gathering and espionage, then Scorpion Deception is the novel for you.
