Description :

Prsentation de l'diteurOne-stop-guide to the hedge fund industry, investment and trading strategies adopted by hedge funds and the industry's regulation. For anyone with an interest in investing or managing funds, it presents everything practitioners need to know to understand these investment vehicles from their theoretical underpinnings, to how they work in practice.Prsentation de l'diteurOne-stop-guide to the hedge fund industry, investment and trading strategies adopted by hedge funds and the industry's regulation. For anyone with an interest in investing or managing funds, it presents everything practitioners need to know to understand these investment vehicles from their theoretical underpinnings, to how they work in

practice. Biographie de l'auteur Daniel Capocci is Senior Investment Manager, Front Office, at Architas Multi-Management, an investment management company and part of Axa Wealth, where he is Co-head of European Business Development, and responsible for portfolio management of European investments and emerging market fund of funds. Previously, he was Senior Portfolio Manager at KBL European Private Bankers, (the private banking arm of KBC bank), where he was responsible for hedge fund analysis and long only research. He is also invited professor at the University of Luxembourg, research associate at HEC School of Management, University of Lige, and the EDHEC Risk and Asset Management Centre, and holds a PhD in Sciences of Management, also from HEC. Daniel is a regular speaker at hedge fund and investment conferences, and holds the CAIA accreditation.
