Description :

Prsentation de l'diteurAlthough she didnt know how her story would end, she knew it wouldnt end well. For anyone. She has vowed to be a good mother. To honor, love, and raise her adopted daughter in a home that promises to be a sanctuary and offer her safety after years of abuse and horrendous neglect. But to her daughter, Jessie, the love is unfamiliar and frightening. Home becomes a combat zone, the walls painted with the white rage and constant barrage of hatred Jessie unleashes. Her psychological problems fester for years, growing more violent, causing the family to slowly unravel. When Jessie kills the beloved family cat, she triggers such terror that no one in her wake will ever be the same. Especially Mom, who is determined to do the right thing and protect everyone involved. From Jessie. From herself. From the people who caused them both so much pain. Even if she has to do it one bullet at a time.Prsentation de l'diteurAlthough she
