Wooding's characters are diverse, fully conceived, and vibrant, and he uses each scene not only to build the tension, but to build his casts relevance to the story and to each other." - Attack of the Books "Wooding fabricated an incredible fantasy that will keep you turning pages and anticipating what's next!" - Atomic Moo "Fans of the steampunk genre will greatly enjoy The Iron Jackal." - Geek Girl Project THE IRON JACKAL, an enjoyable edge-of-the-seat romp full of derring-do and swashbuckle. If you're looking for a fast, fun science fiction novel that won't break your brain, grab a copy of THE IRON JACKAL. Count Gore "The story itself is non-stop fun. From the first chapter that begins in the middle of the action to the very final chapter, expect lots of explosions, gunfights, escaping from almost-dire situations and heroics that seem almost insane. This one is a page-turner and you'll find yourself always wondering what can happen next. The answer is, apparently, anything." - Fangirl Confessions Prsentation de l'diteur Things are finally looking good for Captain Frey and his crew. The Ketty Jay has been fixed up good as new.
