Description :

Prsentation de l'diteurThis unique edition of The Trial from Dead Dodo Vintage includes the full original text as well as exclusive features not available in other editions.The Trial (Kafka's original German title: Der Process, later as Der Prozess, Der Proce and Der Proze) is a novel written by Franz Kafka in 1914 and 1915 but not published until 1925. The Trial is one of Kafka's best-known works, it tells the story of a man arrested and prosecuted by a remote, inaccessible authority, with the nature of his crime revealed to neither him nor the reader.Like Kafka's other novels, The Trial was never completed, although it does include a

chapter which brings the story to an end. Because of this there are certain inconsistencies which exist within the novel, such as disparities in timing in addition to other discontinuities in narration. After Kafka's death in 1924 his friend and literary executor Max Brod edited the text for publication by Verlag Die Schmiede. The original manuscript is held at the Museum of Modern Literature, Marbach am Neckar, Germany. In 1999, the book was listed in *Le Monde's* 100 Books of the Century and as No. 2 of the Best German Novels of the Twentieth Century.
