## Description :

Prsentation de l'diteur[A] classic psychological thriller.USA TodayOriginally published in 1964, and the winner of the CWA Best Foreign Novel Award, Patricia Highsmiths The Two Faces of January is a chilling tale of suspense, suffused with her trademark slow, creeping unease.In a grubby Athens hotel, Rydal Keener is bored and killing time with petty scams. But when he runs into another American, Chester MacFarland, dragging a mans body down the hotel hall, Rydan impulsively agrees to help, perhaps because Chester looks like his father. Then Rydal meets Collete, Chesters younger wife, and captivated, becomes entangled in their sordid lives, as the drama marches to a shocking climax at the ruins of the labyrinth at Knossos.A film version of The Two Faces of January, starring Viggo Mortensen, Kirsten Dunst, and Oscar Isaac (Drive, Inside Llewyn Davis) is in production. Adapted by Academy Award nominee Hossein Amini (Drive), and

produced by Working Title and Timnick Films (The Talented Mr. Ripley), it will be released later this fall. An offbeat, provocative and absorbing suspense novel. The New York Times Patricia Highsmith is one of the few suspense writers whose work transcends genre. The Austin American-Statesman
