Biographie de l'auteur Vicki Green grew up in Overland Park, Kansas and currently resides in Olathe, Kansas. Along with her husband and two teenage boys, she shares her home with her cocker spaniels Shadow and Mocha. She has been working full time at the same Company for 35 years. Her life has been filled with the most loving and caring parents, who are both gone now but are still in her heart and mind daily. Vicki enjoys reading Romance books which is what inspired her to begin writing this book. She has always admired Authors dedication and hard work. She had a dream that played out for over a year, came home one day after work and decided to put it on a word document to see how it read and that became My Savior Forever, the beginning of her Forever Series.
